Session Summary

In this session you will look at John 15:1-17 as the main guide in helping to understand prayer. The instructor will use the analogy of a tree as a guide to help you discover the fullness of God's intention for prayer. This session will focus on the roots of your prayer tree and their role in producing a healthy tree.

Fill in the Blanks/Questions

1. Describe how the roots of a tree have parallel meaning to John 15:9

2. What are the functions of the roots of a tree?

3. Where do the roots take their nourishment from?

4. Where do we receive our nourishment from according to John 15:9?

5. The roots of a tree intertwine as they go deeper and become one with each other and have more contact with the soil for nourishment. Use this moment to meditate and share with God how deep do you want to go into His love.
